The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Frigate in Erie in fiscal year 2022. The entity to receive funding for this project Oliver Hazard Perry Shipyard, located at 110 East Dobbins Landing, Erie, PA 16507.

The funding would allow for the dredging of Presque Isle Bay to a depth of 29 feet at the location 75 feet west of Dobbins Landing to meet the Navy requirements to receive a Perry Class Frigate. The dockage space for the Perry Class Frigate would be crafted to rest within the western edge of Dobbins Landing and extend 50 to 100 feet into the water space adjacent to the peer. An underwater stone buffered edge will keep the ship west of Dobbins Landing to carve out a space for the vessel to be further protected from Presque Isle Bay and the Erie Harbor Bay waters.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Kelly
Member of Congress
